

ORDERING INSTRUCTIONS

The following information must accompany all correspondence or repair parts orders:

- 1) Serial Number - This is stamped on the nameplate.
- 2) Voltage, Phase, Hertz - These are also on the nameplate.

For parts orders also specify:

- | | |
|-----------------------|------------------------|
| 1) Quantity desired | 4) Part name |
| 2) Key number of part | 5) Capacity of trolley |
| 3) Part Number | |

When ordering replacement parts, consideration should be given to the need to replace other items: (bearings, contacts, fasteners, etc.) that may be damaged or lost during disassembly or just unfit for future use because of deterioration from age or service.

Parts should be ordered from CM's Master Parts Deposits conveniently located throughout the United States and Canada. Refer to the list on the inside of the front cover of this manual to locate the Master Parts Depot nearest you.

WARNING

Using "commercial" or other manufacturer's parts to repair the Railstar Trolley may cause load loss.

TO AVOID INJURY:
Order all replacement parts from CM. Some parts may look alike but often CM parts are made of specific materials or processed to achieve specific properties.
